Your AsiaPay contact will then arrange a suitable time with you to discuss your requirements. Following this they will send you the applicable proposal for your organisation, for you to sign and return.

3. AsiaPay Process

AsiaPay will work with you and us to ensure the relevant requirements and authorisation for setup with us and your bank are provided.

4. Test Payment

Once the bank setup is complete, AsiaPay will send us details so we can integrate the payment gateway with our system, as well as test credentials for processing a test payment.

5. Live Payments

Once a successful test payment has been achieved we will be provided with live credentials and your SchoolsBuddy site will then be live to use online payments.
